EUDLO CAR AND MOTORCYCLE SHOW

On Saturday Eudlo had a big Car and Bike show. There were over 100 cars and Bikes. It was like a fashion show with cars. It was so much fun, but Leo, Tenzin Jack and I were at the skate park nearly the whole time. Our Baskin and Robins shop was there. Please Ms Machen, don’t tell anyone but I get my ice-cream for free. Anyway it was cool with the billycarts, thanks to all the helpers.

On Saturday Eudlo had a big Car and Bike show. My mum took photos of the cars with Carla. We all had a go on the billy carts. At the end of the day my Dad, Ivy and I helped to carry chairs back to the undercover area. I told Dad where to put them. He also helped move the hay from the oval. Then we went home and had dinner.

On Saturday we had a Car and Bike show. Rochelle and Noel (my mum and dad) and I had to stay at the school, the night before, to make sure that no one stole the equipment. Noel marked where the cars had to go and he put the cones where they go. If they weren’t straight he would move them. Sean (Clay’s dad) bought in two bikes during the night. The next day at the show there were billy carts and a jumping castle. My favourite car did not come this year but I did get to see a mini. It was the best day ever. There were drinks and food it was sooo much funn. Thankyou Mum and Dad and Clay’s Mum and Dad now we can buy new computers.

At the Car and Bike show I sold nearly 100 tickets in a few minutes with my mum. We raised lots of money. I really want to give a gigantic thankyou to everyone who helped raise the money for our beautiful little school. The money will help us to learn with new computers.

Eudlo had a BIG Bike and Car show. It was filled with amazing cars and my Mum and Dad were helping at the show. Mum was making hot dogs and helped scoop ice cream. There were billy carts that the 2/3 boys helped make. They were needed for the car show, so kids could ride them. Dad and I had to drive to Landsborough again and again to pick p things that were needed. We think we raised is thousand dollars.
