Welcome back to an exciting Term 3!

Lots of big, exciting things happening in our community this term. Our big school fundraiser should be an “awesome day” and I urge you to throw your support behind the organisers of the Eudlo Car and Bike Show. They are looking for helpers on the day to sign up, so please do all you can to support these hard working P & C members. Remember every cent raised goes towards helping the students at Eudlo.

At the beginning of this term the Premier announced sweeping changes to when a student is absent from school. Patrea Walton, Deputy Director-General announced…

“The safety and wellbeing of students are the highest priorities for the Department of Education and Training and for the Queensland Government.

Today, the report When a child is missing: Remembering Tialeigh – a report into Queensland’s children missing from out-of-home care was released and the Queensland Government has accepted a recommendation from the Queensland Family and Child Commission that the Department will implement same day notifications advising parents/carers when a child has an unexplained absence from school.”

 Did you know?

A child is considered to be of compulsory school age from 6 years and 6 months until the turn 16, or they complete Year 10 (whichever comes first).

Parents of compulsory-school-aged children must:

- Enrol them at a School
- Ensure they attend school on every school day, unless the parent has a reasonable excuse
Great programs are running each day at Eudlo State School
Here are some of the fantastic opportunities on offer

A full and exciting curriculum which includes:

And of course a great happy and caring staff
It’s great to be back at Eudlo after the holidays and enjoying the buzz of excitement around the school as the students settle back into their weekly routines. I bumped into a number of students over the break which was wonderful!

The Year 2/3 Billy Cart project is coming along and will be finished in a couple of weeks. The children are excitedly looking forward to getting to use them in the near future.

A reminder to parents that I am available to chat with students that could use some extra encouragement from time to time. Please feel free to talk to me about this if you wish.

Please be advised that the Dinosaur Science Show has been postponed and is now running on Tuesday 9 August.
