

Eudlo State School

Small School, Smart Choice

Term 1 Issue 1 2026

Dear Eudlo State School Community,

Welcome to the beginning of a new school year and to 2026 at Eudlo State School. I hope you and your families enjoyed a safe, restful and happy holiday break and are feeling refreshed and ready for the year ahead.

A special welcome to all of our new families and students joining us this year. We are delighted to have you become part of our Eudlo community and look forward to getting to know you as we work together to support your child's learning and wellbeing.

At Eudlo State School, we are proud of our strong sense of connection, care and community. Our dedicated staff are excited to begin another year of learning and have been busy preparing engaging programs that support high expectations, student growth and a love of learning. In 2026, we will continue to focus on empowering our students to be confident, capable and curious lifelong learners.

Our school values remain at the heart of everything we do. We encourage all students to be **safe, respectful, responsible**, and to embrace being **lifelong learners**—values that guide positive behaviour, strong relationships and success both in and beyond the classroom.

We value the partnership we share with families and recognise that learning is strongest when school and home work together. There will be many opportunities throughout the year for you to engage with school life, whether through classroom activities, community events, celebrations or parent information sessions. We warmly encourage your involvement.

Thank you for your continued support of Eudlo State School. I look forward to a positive and successful year ahead and to sharing many achievements and special moments together in 2026.

Wishing everyone a wonderful start to the school year.

Warm regards,

Ruth Machen

Principal
