Term 1 Issue 1 2024

Principal's Report

Welcome back! I hope that the Christmas and holiday period was full of making wonderful memories. It is fantastic to see so many happy faces arriving at school, ready to learn, experience new things and make new friends. Our first day was a wonderful success and classes are settling into their new routines and new learnings for the year. Eudlo day this Thursday will be full of smiles and the chance for families to meeting each other. In our small school we greatly value the connections we (the staff) can make to families and our Eudlo community.

Please bring sun safe togs, sunscreen and towel for wet play!

Be safe. Be responsible. Be respectful. Be a learner.

In this hot weather students are certainly enjoying the airconditioned classrooms. It is a great idea to pop a frozen water bottle into lunch boxes to keep lunches cool and to encourage your child to drink plenty of water.

In week 2 of the term we will have a series of information mornings for families and I hope you can take advantage of the opportunity to meet with your child's teacher. If you are unable to make it please feel free to make a time to speak with the teacher.

It's always tricky for staff if you just drop in, especially in the mornings as our mornings are used to prepare resources and our classrooms for the day. Staff never want to say no, so it just means that they end up playing catch up all day. So please just email your child's teacher, ring up the school or pop in to make the appointment. If its **urgent** and can not wait, definitely interrupt!

Afternoon homework centre will start in week 2. Mrs Louise O'Reilly is the adult in charge on the three afternoons. Homework centre has its own mobile phone so please save this number 0474 778 854 into your phone so if you are running late you can contact the school, as the office is closed at 3.15 most afternoons. If you wish to access our afternoon homework centre you will need to have the form filled out before we can allow any new students to attend.

Everyday day at school is important

Attendance – strategies to keep your student's attendance above 95%

Did you know research shows that in Queensland, higher student attendance at school is associated, on average, with higher student achievement? Why is regular attendance at school important? Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day every school day P-12.

- ✓ they learn better
- ✓ they make friends
- ✓ they are happier
- ✓ they have a brighter future.

Why must I send my child to school?

Under Queensland law, you must make sure your child of school age is enrolled and attends school all day, every school day unless they have an acceptable reason. Illness or competing in a school sporting event are acceptable reasons for being absent from school. A set routine can help get your students to school every day:

- ✓ have a set time to go to bed
- ✓ have a set time to get out of bed
- ✓ have uniform and school bag ready the night before
- ✓ have a set time for starting and finishing breakfast
- ✓ set a time for daily homework activities

Speak about school positively, education means a future of choice not chance, be firm, send your child to school every school day including their birthday and the last day of term!

Super volunteers are needed to help with Breakfast club and Tuckshop.

Breakfast club runs each morning and consists of making platters of toast ready for 8.30am.

Tuckshop is on once a week with the main meal being served at first break 10.50pm and a snack being served at second break 1.50pm. Volunteering can be every week or once a month or whatever suits your schedule.

If you would like to become a member of the Eudlo super volunteers club or if you would like more information see Chappy Nova or pop up to the office to have a chat.

We will be forever grateful.

2024 Student Resource Scheme - \$180

This letter contains important information about the 2023 Student Resource Scheme (SRS) including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost effective alternative to purchasing textbooks and/or resources elsewhere, Eudlo SS operates a SRS for 2024.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees have been approved by the school's 2023 P&C Association.

SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Participation is for the duration of your child's enrolment at the school.

Continuing student of the school.....

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

Student is new to the school.....

Parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. If no participation form is received the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.
